2019 Season Market Coordinator

**Mondays and Fridays
June 3rd until November 1st**

Frog Hollow Farmer's Market is looking for a **volunteer** Market Coordinator for the 2019 season. We are a newer market and are still trying to grow a strong customer base.

Our market accepts EBT, Senior Coupons and WIC. We are also involved with the Revitalize Coupon Program (June & July). This farmers market supports our Urban Farmers and is an optional "pick your own" market.

We will make sure you have everything you need and this is a great opportunity to get to know our farmers and the Frog Hollow community!
