

Bring a splash of nature to your storefront, office, or neighborhood with a KNOX City Planter!

Each year, KNOX and the Greater Hartford Green Team prepares **300 planters with flowering annuals and foliage centerpieces for citywide beautification.** This well-known program was formerly coordinated in partnership with volunteers and the Hartford Business Improvement District. In 2019, **KNOX is asking for your help as we work to keep this vital community resource available to the Hartford area.**

The gorgeous planters are generous in size and are overflowing with locally grown annuals and a centerpiece, providing a welcoming environment that encourages residents and visitors to spend more time outside. **The result is a pedestrian friendly, walkable streetscape and a sense of community pride.**

Beginning in March, the Greater Hartford Green Team, along with community volunteers, plant seeds and seedlings to be transferred into large 3-foot planters in May. **Each planter is conveniently delivered to your requested location after the first week in June.**

Maintenance can be done by you, or KNOX, which includes frequent, thorough watering, removal of trash, and communication with KNOX if there are problems. KNOX will replace healthy planters damaged by vehicles or vandalism.

Additionally, all KNOX City Planter sponsors will have their logo featured on your planters for the 2019 season!

Thank you for your partnership with KNOX,

Patrick Doyle
Executive Director

KNOX City Planter Sponsorship Form 2019

Name: _____

Business/organization: _____

Mailing address: _____

Phone: _____ E-mail: _____

Planter location: _____

(Attach additional sheet for multiple locations)

Quantity	Item	Price	Total
	Planter with annuals plant, deliver & pick up) plus maintenance (watering, weeding, fertilizing)	\$250	
	Fall Plantings (summer annuals removed & mums, ornamental grasses planted)	\$50	
	Feature your logo!	\$100	
<i>Please remit full payment with your order. Checks should be made payable to Knox, Inc. and sent to: 75 Laurel Street, Hartford CT 06106</i>		TOTAL ORDER + 6.35% sales tax	

I understand that, if I do not purchase maintenance for these planters, I am responsible for maintaining them. Maintenance includes frequent, thorough watering, removal of trash, and communication with KNOX if there are problems. Thorough watering means keeping the soil moist and watering until water runs out of the drain holes in the bottom of the planter (about 2 gallons/day). KNOX will pick up unmaintained planters and they will not be replaced. KNOX will replace otherwise healthy planters damaged by vehicles or vandalism. Initials _____
